

# Are you interested in advocating for Nevadans with disabilities?

*The Nevada Statewide Independent Living Council (SILC) is recruiting new members.*

Members play an important role in recommending new developments in independent living services so people can stay in their own homes.

Members also:

- Promote the philosophy of independent living, including consumer control, peer support, self-help, self-determination, and equal access
- Promote the development and expansion of independent living programs and concepts on a statewide basis

Meetings are held six times a year during daylight hours and members can attend in-person or via the phone.

Qualifying members include:

- Persons with experience or an interest in, and knowledge of, the problems of providing independent living services, or
- Persons with disabilities, parents or family members of persons with disabilities, or
- Advocates of and for persons with disabilities, or
- Representatives from private business, or
- Representative from organizations that provide services for persons with disabilities

*If you or someone you know is interested in applying for membership, please contact:*
